Edward Roe, Manager
Fairmont Sonoma Mission Inn
100 Boyes Blvd.
Sonoma, CA, 95476

Dear Mr. Roe

The Sonoma Valley Democrats stand in solidarity with Fairmont Sonoma Mission Inn workers organizing to improve their working conditions and to form a union with UNITE HERE Local 2. The workers' struggle there is both for themselves and for our community. When they turn their jobs into good union jobs, our local economy will be lifted and more equality will be created in Sonoma Valley.

We request that management respect the right to organizing. We call on the Fairmont Sonoma Mission Inn, its hotel operator Accor, and its owner, Brookfield Asset Management Company to not harass or intimidate workers for organizing a union and to cancel their anti-union consultant.

Sincerely yours,

Beth Hadley, President, Sonoma Valley Democrats
